First China Shopping Mall S-REIT

Financial Results for 1Q 2010

23 April 2010

Disclaimer

This presentation shall be read in conjunction with paragraph 8 of CRCT's Unaudited Financial Statement and Distribution Announcement for First Quarter 2010.

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes, and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events.
